

Build The HTML Page

1. Home.html:

2. Login.html:

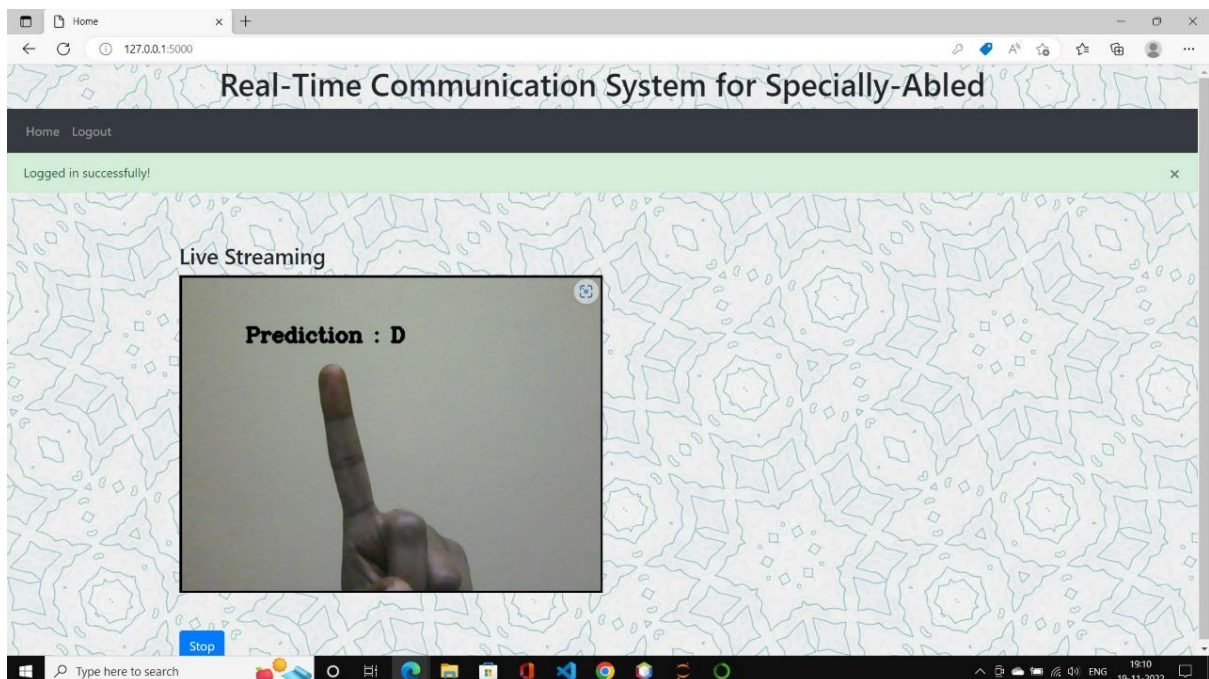

3. Sign up.html:

The screenshot shows a web browser window with the address bar displaying "127.0.0.1:5000/sign-up". The page title is "Real-Time Communication System for Specially-Abled". Below the title, there are links for "Login" and "Sign Up". The main heading is "Sign Up". The form contains five input fields: "Email Address" (with placeholder "Enter email"), "First Name" (with placeholder "Enter first name"), "Password" (with placeholder "Enter password"), "Confirm Password" (with placeholder "Re-enter password"), and a "Submit" button. The background of the page features a repeating geometric pattern.

4. Outputs:

The below image shows the predicted symbol for the sign “D”.

The below image shows the predicted symbol for the sign “F”.
